

The APP Drop ticket seems the easiest available on the stores (iPhone and Google Android) for buying the SitaSud tickets in our area.

Please follow up our tutorial to purchase the tickets and hope it might help you to avoid looking for a paper ticket vendor, difficult to find in the area of the Amalfi Coast.

Step 1.

Download and Open the DROP TICKET app

<https://shop.dropticket.it/>

The screenshot shows the DropTicket app interface. At the top left is the 'DropTicket' logo. At the top right, a yellow box highlights a dropdown menu showing 'Amalfi (SA)' with a 'Select city' option below it. A red arrow points to this box with the text 'Might choose your location here'. Below the header is a large banner with the text 'TRATTE NAZIONALI, INTERREGIONALI E AEROPORTUARIE' and 'ACQUISTA ORA'. Underneath the banner is a section titled 'Express Tickets' with the subtitle 'Our suggestions'. A yellow box highlights a card for 'UNICO Unico Campania Suburban'. A red arrow points to this card with the text 'here choose UNICO'. Below this is a section for 'Trenitalia' with the subtitle 'Passes and tickets for HS, regional, intercity and bus'. It contains two buttons: 'ABBONAMENTI' (red) and 'TRATTE SINGOLE' (green), both featuring the Trenitalia logo. At the bottom is a 'Transport' section with the subtitle 'Get on board!' and two cards: one with the Italian flag and another with the UNICO logo.

After completing the credit card payment, the purchased tickets will be added to your Drop Ticket wallet. These tickets need to be validated just before your journey.

When you start your trip, you must validate the tickets immediately. Be prepared to show the validated tickets on your phone to the driver when boarding the bus.

Press the validation button BEFORE you get on the bus.
