IF YOU REACH LIMONCELLO WITH YOUR OWN CAR RENTAL – OR OWN VEHICLE

1. Reach Bus Stop 7 by car:
   https://maps.app.goo.gl/xCxKzccxp6zxKdTJ8

This is the easiest place to drop off passengers and luggage quickly.

After getting out of the car, the passengers and luggage can walk to the Church of San Gennaro and wait there for the driver.

2. The driver should then reverse the car and, with the car completely empty of passengers and luggage, drive to one of the free parking areas in town and leave the car there.

You can park either here:

or here:

3. Once the car is parked, the driver should walk back and join the rest of the group at the main square of the Church of San Gennaro:

4. Once the whole group is together, you can continue by following the signs to La Gavitella beach.

• Walk along Via Masa.
• Continue through Piazzetta Mons. Fusco.
• Pass by Mirante Bar.
• Continue for approximately another 100 metres.
• From Mirante Bar, walk down about 40 stairs until you reach Via Masa 81, which is on the left-hand side of Via Masa.

5. At our gate, place your hand behind the back side of the keyhole. There is a small nail/notch that is not visible from the outside.

Slide this nail/notch to open the gate and enter the condominium. Please remember to close the gate behind you.

Our apartment is the VERY FIRST ONE on the left.

You only need to climb an additional 10 stairs, up the short ramp at the very first corner on the left.

6. To enter the apartment, take the key from the top of the gas canister.

The gas canister is inside a concrete white niche located to the right of our white metal door.

The niche has a small metal door that you can simply open by hand. There is NO code required.

If you are unsure about any of these directions or get confused along the way, please do not hesitate to call me. Even better, you can make a video call so I can guide you directly.

I am always just a phone call away.

Have a pleasant stay with us!
